A **comprehensive menu** of Cleopatra Pizza from Redcar and Cleveland covering all **18** menus and drinks can be found here on the menu. Cleo's has become a local staple for takeout, drawing rave reviews for its pizzas and extensive menu. Many patrons appreciate the generous portions and flavorful offerings, particularly praising the garlic dip and fresh ingredients. However, some experiences have been marred by inconsistent service, incorrect orders, and food quality issues, including bland flavors and undercooked pizza bases. While the atmosphere may occasionally feel unwelcoming, friendly delivery staff and satisfying catering options for events show promise. Ultimately, Cleo's remains a hit or miss, with hopeful diners recommending it for takeout, albeit with caution.
