Deli a Go-Go has garnered mixed feedback, with some praising its friendly service, delicious food, and extensive deli offerings, while others express disappointment in recent visits marked by rude staff and unclear pricing. Customers have raved about generous portions, such as the classic Ploughman's lunch and the unbeatable Corned Beef Pie. However, a few visitors experienced unaccommodating attitudes regarding menu items and service quality. Despite these disparities, many appreciate the unique products, convenient location, and the deli's ability to craft satisfying meals. Overall, Deli a Go-Go remains a local favorite for its potential but should address service consistency.
