Here you can find the [menu](#) of Akbar's in Manchester. At the moment, there are **32** menus and drinks on the menu. Dining experiences at this restaurant vary widely, illustrating a stark contrast between past and present. Though the atmosphere appeals to many, recent patrons express frustration with long wait times, inattentive service, and food quality that has declined significantly. While some dishes remain delightful—like impressive naan and flavorful curries—others are marred by issues such as stale chips or questionable meat. Despite recent management concerns and mixed reviews, a number of diners still commend the attentive staff and affordable prices, hinting at the potential for improvement and a return to form for what was once a beloved dining destination.
