A comprehensive [menu](#) of Red Lion from [Llanidloes](#) featuring all 22 dishes and drinks can be found here on the list. The Red Lion pub offers a mixed experience for diners and drinkers alike. While some patrons commend the friendly staff and excellent atmosphere, others report frustratingly slow service and issues with food temperature. Menu highlights, such as the carvery, receive praise for their value and taste, particularly during weekends when the pub sees a bustling crowd. However, some diners experienced stomach issues and long waits that marred their visits. Overall, the combination of good food, a welcoming ambiance, and loyal locals makes it a potential gem for anyone willing to overlook occasional hiccups in service.
