Here you can find the [menu of Raj](#) in Maldon. At the moment, there are **19** meals and drinks on the menu. The Raj has long been a beloved fixture for curry enthusiasts, celebrated for its flavorful dishes and friendly service. Many patrons laud the restaurant's authentic Indian cuisine, which includes standout offerings like sheek kebabs and biryanis that leave a lasting impression. However, recent visits indicate a decline in consistency, with some customers expressing concerns over rising prices and an overall drop in quality. While the takeaway remains a preferred choice for many, the restaurant must address feedback regarding extra charges and cleanliness to retain its loyal fanbase. Overall, The Raj still stands out, particularly for those seeking rich, traditional flavors at reasonable prices.
