A **comprehensive menu** of Happy House from Thurrock covering all **16** meals and drinks can be found here on the food list. At the once-beloved Happy House restaurant, recent experiences reveal a disappointing decline in service and food quality. Customers recount encounters with rude staff, excessively small meal portions, and slow service, particularly with takeaways, which often arrive cold and late. Despite some acknowledging the decent food quality, many lament the changes since the previous owners, Ray and Maria, creating a stark contrast with past customer satisfaction. While a few patrons still commend the intimate atmosphere and value, the general sentiment suggests that without significant improvements in hospitality and consistency, many will seek dining alternatives elsewhere.
