On this site, you can find the **complete menu** of Jolliffes from Cowes. Currently, there are **16** meals and drinks up for grabs. Jolliffes offers a mixed bag of experiences. While some diners were delighted with delicious food and exceptional service, others were disappointed with changes under new ownership. The setting is cozy and unique, with the option to cook your own meal on a hot stone. Piping hot fries, amazing ciabatta rolls, and delightful breakfasts were highlights for many. However, some complaints included sticky tables, heavy scones, and reductions in portion sizes. Despite these mixed reviews, Jolliffes seems to be a popular choice for breakfast or lunch, with loyal customers vowing to return.
