On this site, you can find the **complete [menu](#) of Offham Farm Shop** from Lewes. Currently, there are **17** courses and drinks up for grabs. Offham Farm Shop Café presents a unique dining experience, merging a butcher's with a café, yet feedback reveals mixed reviews. While some diners appreciate the quality of meat and cakes, others found the breakfast options disappointing and overpriced. Limited food choices due to staff shortages left guests unsatisfied, particularly during busy periods. Confusion about ordering and unpriced items in the shop contribute to a lack of clarity and warmth. Despite its potential, the café must address these issues to enhance the overall experience. However, the delectable cakes and friendly service may lure some customers back for another try.
