Here you can find the [menu](#) of **Smart Fish** in Gosport. At the moment, there are **17** meals and drinks on the card. In a bustling area known for its fish and chips, one beloved restaurant has recently faced mixed reviews from loyal customers. While many appreciate the quality of the food, particularly the cod bites, complaints about rising prices, inconsistent portion sizes, and errors in orders have emerged. Customers lament the high costs for basic items, such as chips and condiments, feeling disappointed, especially after years of patronage. Although some diners have enjoyed their experiences, praising friendly staff and the return to high standards, others have voiced concerns over the overall value and dining atmosphere, leading to a recommendation to explore alternative options.
