A comprehensive [menu](#) of Costa Coffee from Hillingdon covering all 15 meals and drinks can be found here on the food list. Costa Coffee in Northwood presents a mixed bag of experiences. While the café enjoys a prime location near the metro, patrons report inconsistencies in service and cleanliness, with tables often left uncleared and floors littered with cigarette ends. Friendly staff seem overwhelmed, leading to frequent order mishaps and a lack of proper training. Despite this, some customers find gems like creamy lattes and delicious pastries. The café remains a familiar choice, echoing the experiences of other Costa outlets, but improvements in staff training and hygiene could elevate it from merely average to exceptional.
