A **comprehensive menu** of **The Compasses Inn** from Guildford covering all **18** dishes and drinks can be found here on the menu. Nestled beside a serene stream, The Compass features a lovely outdoor seating area perfect for summer afternoons. While the picturesque setting delights many guests, the dining experience has faced criticism due to inconsistent food quality and lackluster service. Reports of indifferent staff and disorganization tarnished some visits, with tales of forgotten orders and disappointing drinks. However, those who garnered attentive service enjoyed generous portions, delectable Sunday roasts, and a child-friendly atmosphere. With the right improvements in food preparation and customer care, The Compass holds potential to shine as a cherished local venue, balancing charm and culinary excellence.
