The Double Dragon, a long-standing Chinese takeaway, sparks a mix of fervent praise and severe criticism. While some diners have experienced late deliveries, incorrect orders, and a greasy, unsatisfactory meal, others rave about the delicious, well-cooked dishes and prompt service. Highlights include the flavorful Salted Peppered Pork Spare Ribs and generous portions of meat in their fried rice. While the establishment has faced challenging times, there are signs of improvement, with many customers expressing newfound appreciation for its high standards and fresh flavors. For some, it remains a go-to, while others caution against risk.
