A **comprehensive menu** of Grill Maker from Cheshire West and Chester covering all **18** meals and drinks can be found here on the card. The local **kebab** restaurant offers a mixed bag of experiences. While some diners praised the unique folded kebab and **flavorful** curry chips, others were disappointed with the rudeness of staff and the quality of food, describing it as cold, chewy, and overpriced. Complaints of poor customer service and mishandled deliveries were common, with some patrons questioning the pricing for the portions served. Despite the contrasting opinions, those who enjoyed their meals highlighted the fast delivery and remarkable flavors. Overall, it's clear the restaurant has potential but must address service and food quality to enhance the dining experience.
