Once hailed as the best Chinese takeaway in town, The Rising Dragon seems to be experiencing a decline in quality. While the restaurant has a history of serving delicious meals with generous portions, recent reviews indicate a noticeable drop in flavor intensity and consistency.

Patrons have expressed disappointment over longer wait times, lesser quality dishes, and changes in complimentary items like prawn crackers. However, it's important to note that many still appreciate the friendly staff and the transparency of the open kitchen. As loyal customers consider other options, the restaurant faces the challenge of regaining its former acclaim.
