A **complete [menu](#)** of **Jade City** from Preston covering all **15** dishes and drinks can be found here on the menu. While the food at this restaurant garners praise for its delicious flavors, particularly the hot and sour soup, many customers express frustration over service issues. Experiences range from late and cold deliveries to rude staff interactions, leaving some patrons vowing never to return. Regular customers lament a decline in service quality over the past year. Despite the chaos behind the counter, where one diligent staff member manages orders, this restaurant struggles with consistency in delivery times and customer satisfaction. Diners are torn between enjoying the food and navigating a challenging takeaway experience.
