On this webpage, you can find the **complete menu** of **Costa Coffee** from Bassetlaw. Currently, there are **16** meals and drinks up for grabs. Costa Workshop presents a blend of appealing and off-putting features. While some patrons rave about the delicious smoothies and consistently good coffee, others lament the lack of attentiveness and unfriendly service. Complaints abound regarding the high prices, uncomfortable seating, and an unclean atmosphere that seems to have deteriorated post-lockdown. Yet, a few guests found a silver lining in the cheerful staff at times. With its strategic location and ample seating, including outdoor options, the café draws visitors, but many feel it needs a significant refresh to enhance customer satisfaction and experience.
