A **complete [menu](#) of The Golden Flame** from Weymouth and Portland covering all **16** meals and drinks can be found here on the card. Golden Flame, a once-beloved restaurant, now presents a mixed bag of experiences that leave diners divided. While many have cherished its consistently excellent, flavorful dishes and friendly staff, recent patrons report substantial declines in food quality and service. Issues like bland flavors, reduced portion sizes, and late deliveries mar its reputation. Additionally, the shift to cash-only transactions and increased prices have frustrated some customers. Although the establishment has established itself as a reliable dining option over the years, the growing number of dissatisfied reviews raises concerns, making it a gamble for those seeking a satisfying Chinese takeaway experience.
