A complete [menu](#) of The Mariner from Shepway covering all 16 meals and drinks can be found here on the food list. Nestled by the harbor, this establishment has garnered both praise and criticism from visitors. Many appreciate the warm welcome and engaging staff, who often enhance the overall experience with great conversations and refreshing drinks. Some patrons enjoyed the pleasant outdoor seating and lively atmosphere, while others reported frustrations with cleanliness and a lack of attentiveness. The food, however, drew considerable criticism for its poor quality and unappetizing presentation. As the venue evolves under new management with plans for an Indian restaurant, it remains to be seen whether it can bridge the gap between diverse customer experiences.
