A complete [menu](#) of The Stag Inn from Wigan covering all 17 courses and drinks can be found here on the card. A recent visit to this pub-style restaurant offered a mixed bag of experiences. While the ambiance was inviting and some dishes, like the mini mixed grill, received praise, many diners expressed disappointment with food quality. Reports of tough, chewy steaks and cold meals were common. Service issues, including long waits for food and forgotten items, detracted from the overall experience. Nevertheless, a few patrons noted excellent service from staff who were friendly and attentive, significantly enhancing their visits. Despite the inconsistency in food quality, many diners still appreciated the welcoming atmosphere and reasonable prices. Overall, it remains a place worth trying.
