Here you can find the [menu](#) of **The Golden Fry** in Middlesbrough. At the moment, there are **19** dishes and drinks on the menu. Despite a mix of positive and negative reviews, this restaurant seems to have an overall decline in quality. Complaints about small portions, soggy food, and long wait times are consistent. The prices are also considered very high for what is being offered. On the positive side, some reviewers enjoyed the taste of the food when it arrived hot and on time. The cleanliness of the restaurant and the friendly staff were also highlighted. It seems the experience can vary greatly depending on the day. If you're craving a good meal, it might be worth giving this place a chance, but with tempered expectations.
