On this webpage, you can find the **complete menu** of Shalimar from Motherwell. Currently, there are **19** courses and drinks up for grabs. Saffron restaurant offers delicious food with small portions to keep it fresh. Desserts are good with a variety of options, but the drink service is slow. Unfortunately, no-alcohol policy is in place, and the toilets are poorly maintained. Despite this, the All Day Special is a hit with great reviews. The buffet received high praise for tasty curries and friendly service. Takeaway orders are also recommended for quality food at affordable prices. Overall, Saffron offers a good dining experience if you can overlook some minor issues.
