Here you can find the [menu of India Gate](#) in Waveney. At the moment, there are **25** courses and drinks on the card. Although reviews for the restaurant Indiagate are mixed, one consistent theme is the slow service and lack of attentiveness from the staff. Some customers have experienced feeling ignored and insignificant while dining in, while others have found the atmosphere to be chaotic. However, the food itself has received praise for being delicious and offering large portions at a reasonable cost. The decor is outdated, but the friendly and courteous staff have left a positive impression on many diners. Overall, Indiagate seems to have potential to improve by focusing more on the dining experience and less on takeout orders.
