A **comprehensive menu** of Tier from Nottingham covering all **15** courses and drinks can be found here on the food list. Tier boasts a vibrant atmosphere and exceptional cocktails, consistently impressing patrons with their creativity. While the drinks, including fan favorites like the pornstar martini and creme brulee cocktail, receive high praise, the food options, particularly for vegans, leave much to be desired. Service experiences vary, with reports of slow responses and inattentive staff dampening the overall enjoyment. Some visitors have noted uncomfortable interactions, casting a shadow over the otherwise inviting décor and friendly ambiance. For those seeking an enjoyable drink in a cozy setting, Tier remains a potential destination, but diners may want to manage their expectations regarding service and food quality.
