On this site, you can find the **complete menu** of Cafe On The Corner from Suffolk Coastal. Currently, there are **18** courses and drinks available. At the Corner Cafe, patrons are divided on their experiences. While many rave about the delicious food, particularly the build-your-own breakfast and hearty dishes like gammon steak and cottage pie, service woes cast a shadow. Instances of order mix-ups and delays, coupled with a lack of apologies, have left some feeling unwelcome. Observers noted an incident of verbal mistreatment of staff by management, raising concerns about workplace culture. Despite the inviting menu and value for money, the ambience and treatment of employees reflect a need for improvement. Overall, it remains a spot of potential amidst growing discontent.
