A complete [menu](#) of Meng House from Chiltern covering all 19 meals and drinks can be found here on the card. Nestled in a bustling neighborhood, this restaurant offers a varied experience that has left many patrons divided. While some diners rave about the fresh, delicious food and attentive service, others have reported disappointing hygiene standards, tiny portion sizes, and long waits, particularly during peak hours. The inconsistency seems to stem from a recent influx of takeaway orders that leave the restaurant overwhelmed. Guests have enjoyed flavorful dishes, like sweet and sour chicken and Singapore noodles, but issues such as inaccurate billing and poor service have prompted a call for improvement. Overall, this establishment's charm is marred by fluctuating quality.
