A complete [menu](#) of Golden Moments from North Somerset covering all 15 courses and drinks can be found here on the food list. Golden Moments, once celebrated for its exceptional offerings, now presents a patchy dining experience. Though the recent refurbishment has enhanced its ambiance, feedback reveals a shift in both menu selection and service quality. Diners report inflated prices and reduced portions, particularly for starters and curries. While the food generally receives praise for its taste, long wait times and noisy environments have left many feeling frustrated. However, some patrons still commend the attentive staff and decent atmosphere, making it a mixed destination. Potential visitors are advised to manage expectations and check on wait times before their visit.
