A **comprehensive menu** of **Corner Chippy** from Wyre covering all **16** courses and drinks can be found here on the food list. Corner Chippy presents a delightful yet polarizing experience for fish and chip lovers in Cleveleys. While many patrons rave about the freshly cooked fish and generous portions, some customers find the portion sizes disappointingly small. Service disappointments have also marred the experience for a few, with inconsistent attentiveness. Though the location occasionally faces irregular hours, loyal visitors appreciate the welcoming atmosphere and friendly owners. Despite a few criticisms regarding the pies and occasional long waits, many agree that, when open, this charming chippy is well worth a visit for its exceptional fish and chips.
