River Queen, a longstanding establishment, has garnered mixed feedback from patrons. Diners praised the restaurant for its authentic Chinese dishes and generous portion sizes, making it a go-to for takeaways. However, complaints about fish and chips, described as flavorless and poorly prepared, surfaced alongside concerns over rising prices and reduced portion sizes. While some continue to enjoy their meals and commend the friendly staff, others suggest that the quality has declined significantly since new ownership, with many reconsidering their loyalty to this once-beloved local spot. Overall, the River Queen remains a work in progress.
