A **comprehensive** menu of **Delacroix** from Derry covering all **15** dishes and drinks can be found here on the food list. Nestled away from the bustling city center, this restaurant offers a contrast of dining experiences. While the food receives consistent praise for its quality and flavor, with many enjoying well-cooked steaks and delightful starters, the overall atmosphere and venue maintenance leave much to be desired. Patrons noted issues with cleanliness, outdated decor, and a dark, uninviting interior. Furthermore, inconsistent service and long waits were common complaints. Despite its potential as a charming spot for quiet dining or functions, it appears urgent renovations are needed to enhance both the ambiance and the overall dining experience.
