A comprehensive [menu](#) of New Nasib Curry from Stockport covering all 17 menus and drinks can be found here on the food list. In a mixed bag of experiences, the restaurant garnered both praise and criticism from patrons. While some enjoyed standout dishes like the delicious kebabs and flavorful curries, others faced long wait times and unresponsive service, leading to cold, unsatisfactory meals. Many noted the welcoming atmosphere and kid-friendly options, but frustrations arose regarding delivery delays and poor customer service. Overall, the restaurant's potential for great food is overshadowed by inconsistencies in service and experience; it's a gamble for those seeking reliable takeout. Diners are advised to tread carefully before placing an order.
