A **comprehensive menu** of Sky Harbour from Calgary covering all 17 courses and drinks can be found here on the card. Sky Harbour Restaurant offers a diverse dining experience that garners mixed reviews. While some guests find the brunch buffet lacking in freshness and variety, highlighted by warm dishes and limited replenishment, others rave about the exceptional dinner service and the welcoming atmosphere. The breakfast buffet is notably praised for its affordability and selection, particularly appealing to families. Guests consistently commend the attentive and friendly staff, who provide a warm and efficient service. Despite some shortcomings in food quality at peak times, Sky Harbour remains a popular choice, especially for those enjoying the hotel and water park facilities.
