On this site, you can find the **complete [menu](#) of Bonjour Cafe** from Hastings. Currently, there are **19** courses and drinks up for grabs. Nestled by the waterfront, this café offers a charming atmosphere for friends and pet owners alike. Diners appreciate the dog-friendly vibe, friendly staff, and reasonable prices. The coffee has received accolades for its quality, and the menu features enticing options, including gluten-free dishes. However, not all experiences have been seamless. Some patrons noted limited savory offerings and occasional lapses in service, which detracted from their visits. While the ambiance and fresh food draw guests, a more consistent service experience could elevate this café into a must-visit destination for all beachgoers.
