On this website, you can find the **complete menu** of Megna from Hyndburn. Currently, there are **19** menus and drinks available. Megna has long been a go-to for many Indian cuisine enthusiasts, but recent experiences suggest a decline in quality and consistency. While some dishes, like the lamb karahi and Chill Madras, have garnered high praise, others, including the tikka wrap and masala, fell short, leaving diners disappointed. Issues such as undercooked rice, reduced portion sizes, and inadequate responses to customer concerns were noted. Despite a few standout dishes, some patrons are reconsidering their loyalty, with many expressing a desire for improved flavor profiles and better value for money. Overall, the restaurant's reputation hangs in the balance as customers await a return to form.
