A **comprehensive menu** of Magno Cafe from Shetland Islands covering all 19 menus and drinks can be found here on the food list. This family-friendly restaurant in Shetland offers a diverse menu featuring peri peri chicken kebabs, burgers, and pizzas, drawing praise for excellent value and flavorful dishes. Diners appreciate the pleasant service and welcoming atmosphere, making it suitable for families. However, some takeaway experiences have been disappointing, with issues like incorrect orders and lack of attention from staff during meals. While the food quality remains high and the ambiance cozy, service inconsistency, particularly regarding table clearing and order attentiveness, calls for improvement. Overall, it's a solid choice for a casual outing or family gathering.
