While some customers praised the fantastic takeaway service and the tasty delivery, others encountered disappointing dishes and bland flavors. Despite the absence of alcohol, patrons appreciated the friendly service and value for money. Standout items like saag aloo, Achari chicken, and curry specialties earned favorable mentions, while certain mains fell short on quality. With staff dedicated to accommodating dietary needs, this establishment shows promise, although consistency in food quality might leave some diners wanting more.

Overall, a place to consider for takeout, with caveats.
