A comprehensive [menu](#) of **The Black Boy** from Harborough covering all **19** meals and drinks can be found here on the card. The Ashby Arms Hungarton, established in 2001, is a charming village pub restaurant in the beautiful village of Hungarton. Previously known as The Black Boy Inn, Mark and Rachel Thompson took over the pub in 2001 and have lovingly refurbished and updated it over the years. They recently decided to rebrand and changed the name in March 2022. Whether you're looking to dine, drink, or unwind, our cozy and relaxed atmosphere is perfect for any occasion. In the winter, you can enjoy the warmth of our two open log fires, while in the summer you can relax in our large garden with a decking area. Our snug area is dog-friendly, but we kindly ask that you keep your furry friend on a lead and off the furniture. Food and drinks are served here on a first come, first served basis.
