A **comprehensive [menu](https://menuweb.menu)** of Jones Fish And Chip Shop from Telford and Wrekin covering all **16** menus and drinks can be found here on the card. Nestled in the heart of the community, this restaurant has garnered mixed reviews from locals. While many patrons praise the freshness of the fish and the perfectly cooked chips, others express disappointment with inconsistent food quality and service. Complaints about overcooked, greasy dishes, particularly from the younger staff, contrast sharply with the compliments for the friendly owner and some dedicated team members. A notable downside is the behavior of an older server, whose lack of professionalism detracts from the overall experience. Despite its flaws, the establishment remains popular, inviting food lovers to take a chance on its culinary offerings.
