Here you can find the [menu](#) of **Just Wings Liverpool** in Liverpool. At the moment, there are **19** menus and drinks on the menu. In 2012, our family's passion for all things American led us to discover Buffalo Wings. After years of sampling, training, and learning from our mistakes, we proudly introduce 'Just Wings'. While we offer more than just wings, we believe ours are truly the best you'll ever taste. Originating in 1964 at the 'Anchor Bar' in Buffalo, upstate New York, Buffalo Wings were created by Teresa Bellissimo - a delicious combination of deep-fried chicken wings smothered in hot cayenne sauce and butter. We have since expanded our menu to include our favorite burgers, wraps, and sides, hoping to share our love for these dishes with you. We invite you to visit our family-run business and experience our food again and again.
