A comprehensive [menu](#) of Trenabies Bistro from Orkney Islands covering all 19 dishes and drinks can be found here on the card. Nestled in the heart of Kirkwall, this restaurant boasts a menu filled with delightful local cuisine and an impressive variety of drinks, including good coffee and a selection of wines. While many patrons rave about the high-quality food, from baked potatoes to flavorful wraps, there are notable concerns regarding service. Several guests experienced long waits and inconsistent attentiveness from staff, which detracted from the overall experience. Nevertheless, the clean environment and availability of gluten-free options add to its appeal. With a bit of service refinement, this spot could truly shine as a must-visit culinary destination in town.
