A **comprehensive [menu](#) of Roundstone House** from Roundstone covering all **17** dishes and drinks can be found here on the card. Located on the coast, this restaurant offers a mix of average food served in plastic boxes, offset by friendly staff and a short wait. While service was lacking in warmth and atmosphere due to a loud neighboring group, the excellent food quality made up for it. Perfectly cooked dishes, local [seafood](#) specialties, and a pleasant dining room with stunning ocean views make this restaurant stand out. The attentive staff, luxurious accommodations, and exceptional breakfast and dinner menus provide a delightful experience. Overall, a highly recommended spot for a fantastic meal on the Wild Atlantic Way.
