A **comprehensive menu** of Madras Cottage from Glasgow City covering all **19** meals and drinks can be found here on the menu. Once celebrated as one of the finest in the East End, this restaurant has faced a tumultuous journey through quality fluctuations. Patrons express disappointment with rising prices, shrinking portions, and inconsistent food quality, featuring underwhelming kebabs and bland curries. While delivery mishaps and rubbery chicken deter many, a loyal following remains drawn to its popular mix grills and exceptional service. Positive notes highlight fresh, flavorful dishes like the Chicken Tikka Hogies and perfectly cooked burgers, showcasing the potential for greatness. Overall, the restaurant is a mixed bag, reflecting both a decline and glimpses of culinary brilliance.
