On this website, you can find the **complete [menu](#) of Beara Coast Wedding Venue Coastal** from Bantry. Currently, there are **20** menus and drinks up for grabs. The Beara Coast Hotel, recently reopened, showcases both potential and growing pains. Guests enjoy striking harbor views and friendly, local staff. However, breakfast offerings have received mixed reviews, with cold toast and burnt pancakes detracting from the experience. Despite some culinary missteps, the seafood chowder and deep-fried brie have garnered praise. Dining outside allows for picturesque surroundings, although cleanliness standards need addressing. A heartwarming atmosphere makes it suitable for events, but recent staff treatment has raised concerns. Overall, the hotel promises a charming stay with excellent hospitality, but consistency in food quality remains essential for future visits.
