On this website, you can find the **complete [menu](#) of Busaba Eathai** from City of London, Westminster. Currently, there are **19** courses and drinks available. Once a beloved destination for Thai cuisine, Busaba at St. Christopher's Place has recently faced significant criticism for its dwindling quality. Diners report slow service, lackluster flavors, and disappointing portion sizes, particularly in staple dishes like the green curry, which have reportedly lost their signature taste. While some staff members remain attentive, the overall atmosphere feels unkempt, with dirty decor and restrooms detracting from the experience. The once-enthusiastic clientele now seems disillusioned, leaving many to question the restaurant's ability to uphold the standards expected in such a prime location.
