A **complete [menu](#)** of Wondertree Gatwick from Crawley covering all **19** meals and drinks can be found here on the card. Nestled within Gatwick Airport, Wondertree offers a blend of efficient, friendly service and a menu that lacks consistency. While many diners praise the attentive staff and speedy service, others find the food uninspiring, often resembling school cafeteria offerings. Despite the restaurant's bustling atmosphere, diners report frustrating waits, especially when many tables remain empty. Breakfast dishes can miss the mark with incomplete orders and undercooked items, though some highlight fresh ingredients and pleasant presentations. Overall, Wondertree presents a decent option for travelers, with potential for improvement in food quality and service consistency.
