Here you can find the [menu](#) of Caspian Grill in Birmingham. At the moment, there are **19** dishes and drinks on the menu. Caspian Grill offers enticing Mediterranean cuisine, particularly known for its savory pizzas, shawarma, and kebabs. Diners have praised the quality and generous portions at reasonable prices, making it a popular choice for a quick meal. However, consistent issues with rude delivery service and extended wait times have detracted from the overall experience. While some menu items like chicken wings could benefit from better seasoning, most guests delight in their flavorful offerings. With a warm dining atmosphere and a solid reputation in the community, Caspian Grill remains a worthwhile stop, but improvements in customer service are essential for future success.
