Here you can find the [menu](#) of **Betty's Cafe And Tea Room** in Hambleton. At the moment, there are **19** dishes and drinks on the card. Betty's Northallerton boasts a charming old-world ambiance and attentive staff, making it a popular destination. However, recent visits reveal a trend of disappointment regarding food quality and value. While dishes like Rosti and Yorkshire Rarebit are well-pitched at premium prices, they often underdeliver in flavor and execution. The mixed experience extends to service, where instances of rudeness from management have tarnished the overall dining experience. Though some patrons enjoyed well-prepared meals and appreciated the cheerful staff, the consensus suggests a need for improvement in consistency and value to maintain its status as a beloved local gem.
