A comprehensive menu of Shaha Joli from Hyndburn covering all 19 courses and drinks can be found here on the card. Shaha Joli has long been a favorite for its consistently excellent curries and fast service, garnering praise for flavorful dishes and friendly staff. However, recent experiences reveal a troubling trend in customer service and food quality. Some patrons reported rudeness from delivery drivers and issues with inaccurate information regarding food allergens, raising serious concerns for those with dietary restrictions. Additionally, a few diners found their meals tasteless and overpriced. While many loyal customers remain committed to the restaurant, the growing feedback on poor service and rising prices suggests it may be time for ownership to reevaluate the customer experience.
