Omar Sharif's, a long-standing favorite for many, faces mixed feedback following a change in ownership. While some loyal customers praise the delicious kebabs and curries, others report a noticeable decline in food quality and service. Disappointments range from subpar naan bread to tasteless doner options. Concerns about inflated pricing and poor customer service have also emerged, leaving some patrons frustrated. Despite the criticisms, many continue to enjoy the restaurant's offerings, highlighting the rich flavors and friendly staff.
