

Boost Juice Menu

<https://menuweb.menu>

Unit 41 Upper Mall, Churchill Square Shopping Centre, Brighton and Hove, United Kingdom

<https://www.boostjuicebars.co.uk/>

On this website, you can find the **complete menu of Boost Juice** from Brighton and Hove. Currently, there are **15** dishes and drinks available. Boost Juice Bar offers a wide array of healthy options, with some customers praising the delicious juices made by hardworking staff. However, some reviews mentioned high prices and negative experiences, such as insensitivity towards allergies or lack of compassion towards customers. Despite these mixed opinions, many appreciated the quality of the juices, the helpfulness of the manager, and the authentic Filipino favorites offered. Overall, Boost Juice Bar provides a convenient and healthy option for those looking to boost their day with fresh juices, although prices may be a deterrent for some.
