A **comprehensive menu** of Malton Spice from Ryedale covering all 15 menus and drinks can be found here on the menu. Malton Spice in the dog-friendly town of Malton, UK, sparked controversy by not allowing a small dog in. The food received mixed reviews, with some praising the delicious curries and friendly staff, while others complained of bland dishes and poor customer service. Despite the loyal customers over the years, negative reviews suggest a decline in quality. However, for those seeking authentic Indian cuisine in a warm and inviting environment, Malton Spice may still be worth a visit.
